National Back to Church Sunday - September 21st

Do you have friends, neighbors or family members that are unchurched? Many of them may have belonged to a church at one time but stopped attending for a variety of reasons. As you know, a number of people simply “got out of the habit” of going to church during COVID. Why not invite someone you know to attend worship with you on September 21<sup>st</sup>? Think about it; there is plenty of time between now and September 21<sup>st</sup> to begin some casual conversation with someone about their past experience with church, and to inquire about their interest in giving church another chance, or maybe there is someone in your life that has NEVER attended church. MOLC is filled with friendly people and always open and welcoming to visitors and guests. Assure anyone you might bring with you there is NO PRESSURE here! Think about what you might tell someone if they ask why YOU go to church. You might also consider just telling someone why you go to church/how attending church makes a difference in your life (even if they don’t ask you and the moment feels right). You may be quite surprised by the response you get or the conversation that may follow; try it!

\*If there is an event or information about our church that you would like to add to our bulletin please give the information to Lindsey no later than Monday afternoon. If you would like to put information into the newsletter, give the information to Lindsey by the 20th of the month.
